MOUNT ISA

Ebenezer

Johnny Depp is Ebenezer Scrooge in horror director Ti West's dark new take on A Christmas Carol. Over one long Christmas Eve, three ghosts drag the old miser through his past, present and future, and it's a lot scarier than the version you grew up with.

Clayface

Hollywood up-and-comer Matt Hagen is left horribly disfigured by a Gotham crime boss, and a risky experiment turns him into something monstrous. A bloody body-horror revenge story from DC Studios, written by Mike Flanagan.

Primetime

Robert Pattinson plays Chris Hansen, host of To Catch a Predator, as he chases ratings and television history in 2006. The bigger the stings get, the bigger his ego grows, until the whole show starts to crack.

Pressure

In the 72 hours before D-Day, chief weather forecaster James Stagg (Andrew Scott) has to deliver the most important forecast in history. Get it wrong, and General Eisenhower (Brendan Fraser) could send thousands of troops into disaster.

Klara & The Sun

Jenna Ortega is Klara, an Artificial Friend bought to keep a sick teenager named Josie company. As Josie gets worse, Klara will do whatever it takes to save her, in Taika Waititi's take on the Kazuo Ishiguro novel.

Wildwood

When a murder of crows snatches her baby brother, headstrong teen Prue McKeel follows them into Wildwood, a hidden enchanted forest just outside Portland. A gorgeous stop-motion adventure from Laika, the studio behind Coraline.
