STAR CINEMAS

MOUNT ISA

Street Fighter

It's 1993, and estranged fighters Ryu and Ken Masters are dragged back into the ring when Chun-Li recruits them for the next World Warrior Tournament. But there's a deadly conspiracy behind the tournament, and the old rivals will have to face each other and their past.

Sense & Sensibility

Daisy Edgar-Jones and Esmé Creed-Miles star as Elinor and Marianne Dashwood, two sisters left with next to nothing after their father dies. One keeps her feelings locked away, the other wears her heart on her sleeve, and both are about to learn what love really costs.

Whalefall

Young diver Jay Gardiner (Austin Abrams) goes looking for his late father's remains and ends up swallowed whole by a sperm whale. With about an hour of oxygen left, he has to find his way out of the belly of the beast.

Digger

Tom Cruise is unrecognisable as Digger Rockwell, an oil tycoon whose drilling sets off an environmental disaster. Now he's on a frantic mission to convince the world he's the only man who can save it, in a wild dark comedy from Alejandro G. Iñárritu.

The Social Reckoning

Aaron Sorkin's follow-up to The Social Network tells the story of Facebook whistleblower Frances Haugen (Mikey Madison), who teams up with a Wall Street Journal reporter to leak thousands of the company's internal documents. Jeremy Strong plays Mark Zuckerberg.

The Other Mommy

A sinister double of Ursula (Jessica Chastain) has started appearing to her young daughter, and it's turning their family home into a nightmare. Now Ursula has to fight to protect her girl from the thing wearing her face.
