MOUNT ISA

Grand Prix of Europe

Edda, a young mouse with big dreams of becoming a race car driver, lives in the vibrant world of a fairground operated by her father. As the 50th anniversary of the European Grand Prix approaches, Edda sees a golden opportunity to turn her dreams into reality and save her father's struggling business.

Primate

After returning home to Hawaii for summer break, LUCY is reunited with her father. Unbeknownst to them, Ben is bitten by a rabid animal and the gentle chimpanzee they once knew is no more. The group is forced to barricade themselves in the pool, but with no means of calling for help.

Mercy

In the near future, a detective (Chris Pratt) stands on trial accused of murdering his wife. He has 90 minutes to prove his innocence to the advanced A.I. Judge (Rebecca Ferguson) he once championed, before it determines his fate.

28 Years Later: The Bone Temple

Expanding upon the world created by Danny Boyle and Alex Garland in 28 YEARS LATER - but turning that world on its head. In a continuation of the epic story, Dr. Kelson finds himself in a shocking new relationship - with consequences that could change the world as they know it - and Spike's encounter with Jimmy Crystal becomes a nightmare he can't escape.

Send Help

Two colleagues become stranded on a deserted island, the only survivors of a plane crash. On the island, they must overcome past grievances and work together to survive, but ultimately, it's a battle of wills and wits to make it out alive.

Iron Lung

The stars are gone. The planets have disappeared. Only individuals aboard space stations or starships were left to give the end a name - The Quiet Rapture. After decades of decay and crumbling infrastructure, the Consolidation of Iron has made a discovery on a barren moon designated AT-5. An ocean of blood.

The Choral

1916. As war rages on the Western Front, the Choral Society in Ramsden, Yorkshire has lost most of its men to the army. The Choral's ambitious committee, determined to press ahead, decides to recruit local young males to swell their ranks. They must also engage a new chorus master, and despite their suspicions that he has something to hide, their best bet seems to be Dr. Henry Guthrie.
