MOUNT ISA

The Odyssey

Christopher Nolan's mythic action epic follows Odysseus, the legendary Greek king of Ithaca, on his perilous journey home after the Trojan War, battling the Cyclops, the Sirens, and the witch-goddess Circe along the way. Starring Matt Damon, Tom Holland, Anne Hathaway and Zendaya — this is the big one you don't want to miss on the big screen.

Penny Lane Is Dead

Set in the hot summer of 1986, Penny Lane is celebrating her university acceptance with her best friends at a beach house when uninvited guests crash the party, a prank goes wrong, and the night descends into mayhem and violence. It's a wild, blood-soaked Australian horror comedy with serious Ozploitation energy.

Spider-Man: Brand New Day

Peter Parker is fighting crime full-time as Spider-Man in a world that no longer remembers him, and the pressure of watching his old friends move on without him sparks a change in him he may not be able to control. But that transformation might also be the only thing that can stop a shocking new threat — a powerful villain no one can even see.

Super Troopers 3

When Farva's wildly over-the-top Indian engagement to Thorny's sister spirals into chaos, the Super Troopers must navigate Thorny's schemes to break up the relationship while also trying to crack a dangerous new drug ring. Everyone's favourite chaotic cops are back for one more gloriously unhinged ride.

Rodeo Dreams

This award-winning Australian documentary follows four young bull riders as they travel across Queensland's Gulf Country, competing in remote outback rodeos in pursuit of glory at Mount Isa — the richest and most prestigious rodeo in the country. Filmed over three years and scored by Sam Teskey of The Teskey Brothers, it's a high-stakes coming-of-age story about grit, determination, and the eight seconds that could change everything.
