Spider-Man: Brand New Day

Peter Parker is fighting crime full-time as Spider-Man in a world that no longer remembers him, and the pressure of watching his old friends move on without him sparks a change in him he may not be able to control. But that transformation might also be the only thing that can stop a shocking new threat — a powerful villain no one can even see.

Penny Lane Is Dead

Set in the hot summer of 1986, Penny Lane is celebrating her university acceptance with her best friends at a beach house when uninvited guests crash the party, a prank goes wrong, and the night descends into mayhem and violence. It's a wild, blood-soaked Australian horror comedy with serious Ozploitation energy.

One Night Only

Two love-starved strangers keep crossing paths on the one night of the year when single people are legally allowed to have sex — and wouldn't you know it, they might be the only two people in the city actually looking for something real. It's a fun, chaotic rom-com with a wildly original premise.

Super Troopers 3

When Farva's wildly over-the-top Indian engagement to Thorny's sister spirals into chaos, the Super Troopers must navigate Thorny's schemes to break up the relationship while also trying to crack a dangerous new drug ring. Everyone's favourite chaotic cops are back for one more gloriously unhinged ride.
