Anaconda

An entirely original comedy adventure, inspired by the cinematic 'classic' "Anaconda," that features Doug (Jack Black) and Griff (Paul Rudd), who have been best friends since they were kids and always dreamed of remaking their all-time favourite movie.

The Housemaid

A wildly entertaining thriller, based on the best-selling book: The film plunges audiences into a twisted world where perfection is an illusion, and nothing is as it seems. Trying to escape her past, Millie (Sweeney) accepts a job as a live-in housemaid for the wealthy Nina and Andrew Winchester.

The Housemaid

Edda, a young mouse with big dreams of becoming a race car driver, lives in the vibrant world of a fairground operated by her father, Erwin. As the 50th anniversary of the European Grand Prix approaches, Edda sees a golden opportunity to turn her dreams into reality.

Avatar: Fire and Ash

In an afterlife where souls have one week to decide where to spend eternity, Joan is faced with the impossible choice between the man she spent her life with and her first love, who died young and has waited decades for her to arrive.

The SpongeBob Movie: Search for SquarePants

Desperate to be a big guy, SpongeBob sets out to prove his bravery to Mr. Krabs by following The Flying Dutchman on a seafaring comedy-adventure that takes him to the deepest depths of the deep sea, where no Sponge has gone before.

Song Sung Blue

Based on a true story, two down-on-their-luck musicians (Hugh Jackman and Kate Hudson) form a joyous Neil Diamond tribute band, proving it's never too late to find love and follow your dreams.

Pout Pout Fish

A hilarious and heartwarming story of an unlikely duo: Mr Fish a prickly recluse and Pip a hyperactive sea dragon. When catastrophe strikes, they must embark on a daunting undersea quest in search of a fabled mythical fish to grant their wish to save their homes.
