

MAKE YOUR OWN STAR

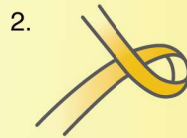

You will need a pair of scissors and some glue.

Parental supervision is advised.

1. Glue all four pieces together.

2. Fold the strip into a loop.

3. Tuck in one end to create a knot.

4. Tighten knot and press flat firmly.

5. Flip the shape over, fold the long end over and align to the bottom edge.

6. Keep folding tightly and aligning to alternating edges until only the very end is left.

7. Tuck the end in inside of the star.

8. Pinch the center of the edges.

9. Glue on Star's face.
