Kinky Boots: The Musical-

Based upon true events, this huge hearted hit tells the story of two people with nothing in common – or so they think. Charlie is a factory owner struggling to save his family business. Lola is a fabulous entertainer with a wildly exciting idea. With a little compassion and a lot of understanding, this unexpected pair learn to embrace their differences and create a line of sturdy stilettos unlike any the world has ever seen! But in the end, their most sensational achievement is their friendship.

Force of Nature: DRY 2-

In Force of Nature: The Dry 2, when five women take part in a corporate hiking retreat and only four come out on the other side, Federal Agents investigate.
